LETTER FROM THE EDITOR

Hello UCI Family,

My name is Calvin Gantt, and I'm your Program Guide Editor for radio station KUCI 88.9 FM located on the University of California, Irvine campus. I'm currently hosting the 'Black Talk Radio' show, which broadcasts on Wednesdays, from 5:00PM to 6:00 PM. You'll also find that other talk shows, along with music shows of every genre, are being broadcast seven days a week, twenty-four hours a day. Our DJ's and talk show hosts are always ready and willing to bring you info-tainment, and the listening pleasure that you can't find anywhere else on the planet. So check us out...any day any time, and you'll certainly be glad you did.

As a staunch supporter of what we do here at KUCI, I welcome those of you who are new, and express heartfelt appreciation to those of you who continue to support us as we travel this road of infinite possibilities.

Always feel free to contact me at calving@kuci.org, and remember...what we do for each other benefits us all.

BE BLESSED
STAY WELL

Calvin

ABOUT KUCI

KUCI broadcasts in 200 stereo watts, 24 hours a day, from the UC Irvine Campus to the UC Irvine community, the City of Irvine, and the surrounding cities and towns.

Since 1969, when the station was a broom closet in the Physical Sciences Building, KUCI has been committed to you, our listeners, by promoting the best in underground and local artists and a voice in the vital public interest. We can help promote non-profit events with on-air public service announcements, and we're always willing to lend a hand to talented musicians--especially those based in Southern California.

Our dedicated volunteers--UC Irvine students, staff, and community members--believe in the power of communication, and of the sharing of ideas that drives us to be the best public station in Orange County, and for you because.... YOU ARE KUCI!
